

The Hoosier Classic Sale Company is now accepting entry applications for the third annual Buckeye Classic Yearling Sale on September 26, 2017. On the heels of a successful 2016 event, this auction has quickly becoming a very popular venue.

Anticipating the growing numbers in Ohio, we are implementing several important changes for the 2017 auction. With limited space and only one day to sell, pedigrees will be graded and those with the most marketable pedigrees will be accepted. In addition, **Ohio sired yearlings will have preference.** We feel these changes will result to the strongest catalogue ever for our customers and will give breeders a better chance to showcase their Ohio sired yearlings.

Location! Location! Location!

The Champions Center Expo, a customer friendly facility, is centrally located between Columbus and Dayton OH at exit 59 on Interstate 70 and is only 30 minutes from Dayton Raceway which will be in the midst of their 2017 race meet.

Along with a first class facility, the Buckeye Classic makes available 15 video kiosks for yearling videos, live streaming on sale day, and up-to-date TrackIt pedigrees on our website. These are just a few things that set this sale apart from others.

AND...unlike other sale companies, Hoosier Classic Sale Company LLC offers consignors the unique opportunity to receive 50% of their net proceeds on sale day. In other words, if entry fees are paid at time of entry, consignors take home a check on sale day. The balance less any outstanding fees is paid in 30 days. Restrictions apply.
