

In 2025, Buckeye Classic Yearling Sale introduced the **Buckeye Buyers Credit**, an innovative program designed to encourage prospective buyers to visit and inspect yearlings at the Champions Expo Center on the day prior to the sale. The program was a smashing success. With the generous support of numerous consignors and farms, three \$5,000 yearling credits were awarded.

Our goal is to offer the Buckeye Buyers Credit again in 2026. The amount of participation determines the amount awarded.

**How the program works:**

Buyers who attend to inspect yearlings on Monday are eligible to enter for a chance to win a yearling credit to be used at Tuesday's auction. The drawing is open exclusively to Monday attendees and closes at 8:00 PM Monday evening. One entry is permitted per attendee.

The winner will be announced Tuesday morning prior to the start of the sale. The credit may be applied to the purchase of any one yearling—or a combination of yearlings—purchased from participating sponsor consignments only. The credit has no cash value and is non-transferable. If a credit is not used, it will roll over to the following year and be added to that year's sponsorship pool.

Funding for the Buckeye Buyers Credit is derived from tiered consignor sponsorships, corporate sponsorships, and contributions from the sale company. This year we have lowered the entry-level sponsorship tier in hopes of greater consignor participation in the program.
